

UTAHREALESTATE.COM IDX SERVICES

How to set up your free IDX feed

Step One: Open Up the IDX Setup Wizard

Under **Tools** in the main UtahRealEstate.com navigation menu, select **IDX Listing Feeds** then select **Subscribe Now** under **IDX RETS** on the page. This will take you to the Setup Wizard which will guide you through the process. The next step will be to select your vendor.

IDX RETS Setup

Setup Steps

- 1 Welcome
- 2 Select Vendor
- 3 Display Website
- 4 Broker Agreement
- 5 Payment
- 6 Finished

Welcome

Welcome to the IDX RETS setup wizard. By completing the steps of this wizard, you will be able to access and display your broker property listings from UtahRealEstate.com's database using a third party vendor, for the purpose of operating a website, display in print media, or for use in back office software.
